If you intentionally absent yourself from a class without a legitimate reason, you will not be entitled to make up any assignments or exams missed during that period. Intentional absences are a clear message that you are not interested in doing your best. Excessive illegal absence or any cutting will result in parental notification and will have a negative impact on how your class participation will be factored into your quarter and final grades.

**V. Special Help:** Students are encouraged to attend extra-help.

**VI. Plagiarism Statement:**

Plagiarism is defined as "the taking and passing off the thoughts, writings, etc, of other people as your own". Integrity of the academic process requires that credit be given where credit is due. Accordingly, it is unethical to present as one's own work, the ideas, representations, or words of another or to permit another to present one's own work without customary and proper acknowledgment of sources. The minimum penalty for plagiarism is zero for the assignment and notation on the offender's record.

**VII. Evaluation:** In the foreign language classroom, the class participation grade counts 1/4 of the total grade, and is based on:

- 1) Punctual arrival to class.
- 2) Timely completion of homework assignments.
- 3) Daily positive participation and contribution in all class activities.

The remaining 3/4 of the grade will be based on written quizzes, exams and special projects. This class will culminate in a final exam, which will count as 1/9 of the final grade.
